**BIG CHANGES WITH STAGE BUILDING. BELOW IS A MESSAGE  
FROM BRIAN RAUGHLEY**

Thank you for volunteering to help with Stage Set Up/ Breakdown at the 2018 DE Feis!  
Transporting 7 wooden stages into St. Mark's and assembling them is no small task.  
It certainly would not be possible without the parents, siblings & friends from the DE Irish  
Dance Schools... THANK YOU!!

The good news is that this year the Irish Culture Club of DE has arranged to have the storage  
unit towed to St. Mark's. This means we will only have to unload the stages from the unit at St.  
Mark's, pull them a short distance and then put them together. I hope this process makes for a  
quicker and somewhat less exhausting day. Now for the specifics...

-----  
**Stage Set Up**

- Meet at St. Mark's High School at 9 am
- Please bring a cordless drill and work gloves, if you have them
- Lunch, water & cold beer will be provided
- Hopefully we will finish earlier than previous years, usually early afternoon

-----  
**Stage Break Down**

- As soon as possible, we will start breaking down the stages on Sunday afternoon
- We will only have to break them down and pull them back to the storage unit in the parking lot... no  
trip to storage yard!!
- Again please bring a cordless drill and work gloves

Please do not hesitate to call or text me at **302.463.6408** with any questions.  
And once again, Thank You for your help making the 2018 DE Feis a success!  
Sincerely,

**Brian Raughley**
